To Sonde Shareholders:

Marquee is currently not DTC eligible so all settlements are done by way of physical certificates being issued to all participants under DTC. All registered shareholders must complete the Letter of Transmittal as indicated in the Information Circular and send their Sonde shares to Valiant and Valiant will then issue them (a) new consolidated Sonde shares and (b) Marquee shares. Valiant Trust will then send out the Marquee shares in accordance with the instructions in the Letter of Transmittal. A copy of the Letter of Transmittal is linked on the Marquee Energy website.

If you are a Canadian resident and hold their Sonde shares through a broker, the Marquee shares were already distributed through CDS and should be reflected on their statement from their broker. If you are a US resident and hold their Sonde shares through a broker, Valiant has also already issued a physical certificate representing the Marquee shares to each broker and those US brokers should have allocated a position of Marquee shares to their clients. Sonde shareholders who hold their shares through a broker should be contacting their broker.
